hall, in Ritchletown, last night, was far from being a success. There were and will be found a most clever steam present, when the meeting was called to order (which was not very successfully preserved) just forty-seven persons, all told, by actual count. A few more, mostly boys, filtered in during the evening, increasing the number probably to about sixty. The faithful were drawn up in two rows—one on each side of the hall—where they sat bolt

The chairman first introduced Mr. N. Richardson, the "reorganized" candidate for the House of Delegates, who would "address the meeting on the political issues of the day." Mr. R. proceeded to ride, booted and spurred, the ceeded to ride, booted and spurred, the two hobbies of his party—equal taxa-tion and negro suffrage. He labored hard for about three quarters of an hour "to make the worse appear the better reason," His work was poorly done-and as badly received. During the course of his remarks he paid his respects to our paper, but we are out this morning as usual. He was occasionally applauded feebly-the largest round by far being at the conclusion of his

The chairman next introduced Major Stambaugh, of Ohio, in the ordinary speech of, "he will address the meeting on the political issues of the day." This imported orator of the high-sounding title, then harangued the faithful for about a half an hour, in a sing-song, disagreeable manner. The greater part of his remarks were emgreater of Spring House at No. 107 Main street, corner of Spring House alley, where the best of boots, shoes and gaiters can be best of boots, shoes greater part of his remarks were em-braced in a sort of a Sunday school address to the small boys, who persisted in running up and down stairs and throwing stones against the windows—much for the windows—much for this streets, have just received one of the largest stocks of Ready Made Clothing, Piece Goods, Trimmings and Gents Furnishing Goods, ever brought to this ing stones against the windows—much to the stinoyance of all. The rest of the Major's remarks were devoted to the "greant and laarge Democrastic paarty," and to what he would say to night at the meeting at the Court. to-night at the meeting at the Court The meeting broke up at an early

OUT DOOR EXERCISES.—It has been suggested to us that it would be a good idea to form in our city a base ball club.

We think the proposition a good one, and give it to our readers for what it is worth. The weather is now very pleasant-suitable for just such an under-taking. We have our row boats-our sail boats—our gymnasium—and why can we not have our base ball club? Another party was arraigned in the afternoon for disorderly conduct, but we did not learn the result of the trial.

PROF. MACALLISTER,-Prof. Macallister gave another of his wonderful exhibitions at Washington-Hall last night, after which he distributed to the audience the usual number of presents —100. Mrs. E. H. Rheildaffer, of 5th street, drew the principal prize—a fine silver pitcher. Another performance, with an entire change of programme, wili be given to-night. The principal present will be a choice tea sett.

AN ASSAULT,-Last evening about 9 o'clock, as a gentleman, accompanied by a lady, was passing up Quincy street, near our office, he was assaulted by two rufflans and knocked down.
